The Dutch Council for the Judiciary and the Dutch Association for the Judiciary are pleased to invite you to a livestreamed event where a panel of judges will share their observations on the impact of Covid-19 on the judiciary. The interview session will be hosted by Miek Smilde of the Dutch Association for the Judiciary and an international panel of judges comprised of judge Tamara Trotman from The Netherlands, judge Daniel Barlow from France and judge Friedrich Forsthuber from Austria.

The judges will provide their own perspectives on lessons learned thus far, both personally and for the Judiciary as a whole. We welcome questions from the virtual audience.

The livestreamed interview forms part of the 'Judiciary from an international perspective' virtual event organised by the Dutch Council for the Judiciary in the week of 19 - 24 September. Over the course of the week virtual meetings, panel sessions and podcasts are organised to gain further insights into the impact of Covid-19 on the judiciary in the Netherlands and abroad.
